Suncrest warrants to the original purchaser for residential installation that the floor board is UV-protected and fade resistant under normal sunlight. Do not use solvents for cleaning. Use only dry-to-moist sponge or mop for surface cleaning. Excessive water use for the purpose of cleaning promotes warping and cupping and so voids the warranty.

The Suncrest Laminate Flooring warranty excludes the following:

--Dents, scratches, other surface wear or surface degradation caused by improper maintenance, pet urine negligence, heavy impact, spiked heels, water, insects, sand and other abrasives, and insufficient protection from furniture.
